

MorphoSource Download Use Agreement

By downloading these files (images, models, etc.), I agree to comply with the instructions for image citation and funding acknowledgment found on the relevant MorphoSource page for these files, as well as the following restrictions of use (including but not limited to restrictions and requirements of any copyright licenses attached to these files):

- a. Any publications, blog posts, or other digital or print references to the downloaded images and models, as well as images and models derived from the original files, will identify as the source of the image BOTH MorphoSource AND the institution (i.e., the museum collection) associated with the specimen which these media represent.
- b. Publications, blog posts, and all other digital or print media that include reference to the downloaded images, model, or files in any way (including but not limited to measurements, analyses, discussion, images, figures, or digital or 3D printed models) will be captioned with or otherwise label/cite BOTH the institutional catalogue number (e.g., Darwin Core triplet) of the specimen this media represents AND the MorphoSource media identifiers of the downloaded files, including one or all of the following: the MorphoSource media number (i.e., "M1000"), the MorphoSource ARK, and/or the MorphoSource DOI of the media files.
- c. I will not make commercial use of these files before getting explicit approval in writing from the current acting curator-in-charge of the relevant collections, which might be subject to legal review by lawyers and/or licensing as per the collection's policy, unless these files are licensed in a way that allows such use (e.g., CC-0). MorphoSource staff can help you get in touch with curators if necessary.
- d. Lastly, I agree *that I will not and are not allowed to share these files, their derivatives, or 3D prints with third parties*. In other words, I will not re-archive these files in a third party repository or give these data to anyone else. I recognize that if I know someone who wants the data, he/she should obtain the images directly from MorphoSource and personally agree to these conditions).

I also reaffirm my knowledge of and agreement to the MorphoSource terms and conditions generally (<https://www.morphosource.org/About/termsAndConditions>).

I also acknowledge that failure to adhere to these provisions could result in revocation of downloading privileges to MorphoSource or legal ramifications for me or my institution/company in certain cases.

The terms above may be superseded by collection specific downloading agreements. If you were able to download this file without requesting permission then there are no additional/different collection specific requirements (but see the beginning of this agreement). If you had to request permission, but were granted access without being presented with a different set of requirements then there are no additional/different collection specific requirements (but see the beginning of this agreement).
